

INFORMATION FOR SMALL BUSINESS SUPPLIERS

Longview realizes that the relationships we forge with our suppliers are increasingly important to our success in a globally competitive marketplace. We continue to look for the best suppliers to help meet our customers' needs. Longview knows that small businesses have proved in competition that they bring innovation, flexibility and strength to our supply base, as well as a passion for helping Longview deliver the best solutions to our customers. As a result, we encourage small businesses that provide quality and competitive products and services to compete for Longview procurement opportunities and to complete this Supplier Questionnaire.

Longview's Supplier Questionnaire asks whether the potential supplier qualifies as a small business concern, SDB or WOSB. The requirements to qualify in these size and diversity categories are set forth in the SBA regulations and Federal Acquisition Regulations.
